Dear Mrs. Fader:

We are in receipt of your recent letter wherein you state that the clock has performed beautifully since our company modernized your clock in January of 1958, but for the past week, the clock does not strike the hours.

Certainly, this is very minor, and it might be possible for one of your men to go into the tower to check the fuses and also the linkage to the hammer that strikes the bell. Nevertheless, our agent:

Mr. Donald H. Yoos  
38 Mayapple Lane  
Levittown, New Jersey  
TRiangle 7-7021

will contact you when next in the Baltimore section and look over your particular set up. It may be that you would like to obtain a service contract for two calls a year for \$65.

Again thanking you for informing us of your trouble, and assuring you of our desire to be of service, we are

Sincerely yours,

I. T. VERDIN COMPANY
