NOTE: 15 lb. oleomargarine would be enough.
 20 cans tomato juice would be enough.
 The instant potatoes were in 1½ lb. boxes. We used these plus
 4 cans (3 lb. each) that we had on hand.
 The fresh hams was just enough. Advise 9 hams about 170 lb. be
 ordered in the future.
 2 cans applesauce over.
 Rolls were small, advise 35 doz. this size needed next year.
