November 1, 1988

We were successful to get oysters again this year this year at \$43.00 per gallon. As usual, there was a shortage of help, very bad on Monday. Oyster padders were desperately needed. A call was made to Council Persons to come and help. Again, we needed more waitresses. There was no help to make puffed rice balls.

The women are getting older, including myself and find this supper is something we no longer can do. I will teach anyone who will do it but the entire task is getting to be too much for me.

The Church Council should give this serious consideration.

We made a little less than last year. Raffle tickets were less \$535.77. Profit on supper \$360.44 more than last year or a difference of \$175.33 less.

Those who volunteered their services worked very hard. God bless each and every one of them.

(Mrs.) Grace E. Fader
Chairperson
