

**Special Congregational Meeting Minutes**  
**March 5, 2006**

Meeting began at 12:15am.  
42 in attendance.

Presentation given by Dale Sanders regarding offer from JBL Developers to purchase our Christian Education Building.

Guest speaker, Reed Kiefer, who has been an architect since 1965, spoke of using the building for residence condominiums for senior citizens. He suggested that the church look into senior development instead of signing with JBL. Lori presented the fact that the Council had met with David Casey, who advised that the senior market is no longer as feasible as it once was in our neighborhood. Reed suggested a workshop to discuss alternative uses for the building.

There was also discussion from the group regarding limited space for Sunday School and PACT should the building be sold.

Carol Rowell motions to table the vote and re-group at a later date. 22 voted to table the vote. Lori reminded members that volunteers are needed to research various options.

Meeting adjourned at 1:05pm.
