## Pastor's Message

### **Believe and Know**

Someone in the church recently told me that Lent was their favorite time of the church year. Even though they couldn't put into words why they felt that way, I knew exactly what they meant. Holy Week contains the essence of our faith. Within the events of Holy Week we find the basic components of our creed: He came, He died, He rose.

Our English word creed comes from the Latin word *credo* which means "to believe." Every week in worship we say "I believe..." I find Holy Week to be special because we re-live what it is we believe.

The days of Lent which lead us into Holy Week prepare us for the challenge of our faith. John's Gospel tells us that when Jesus began to teach that he was the Bread of Life and the Way to the Father, many who were following him turned back and no longer went with him. Even the disciples complained to Jesus that this teaching was difficult. Jesus gave the disciples the option to leave. Peter answered him, "We have come to *believe and know* that you are the Hold One of God." Even though they may not have understood what Jesus was trying to tell them about the journey ahead, they had come to believe in him.

In Lent we too have the option to turn back, or choose to believe that Jesus is the Holy One of God. It feels like a precarious choice, because like the first disciples we may not understand fully what we are asked to believe. If in our lack of

understanding we turn away, then we may never know if what he says is true. But if we choose to believe and go to the Jerusalem where Jesus will lead us, we will necessarily endure betrayal and crucifixion, and then be asked to wait in hope that on the third day we will experience a resurrection. Either option feels risky.

Perhaps that is why there is such excitement attached with Lent, because we are involved in a risk. Even though we know, through our faith, that this risk pays off, what we don't know is how it will pay off. On the first Easter morning, the believers never thought their risking to believe would bring them to an empty tomb. The same is with us every Lent. We enter Lent excitingly knowing that Easter morning awaits us with the promise of an unexpected pay off if we are courageous enough to believe.

My prayer is that we will not turn back and fall away from the challenge of faith, but that we will be courageous enough to *believe* so that we may *know* the joy of resurrection in each of our lives.

In Christ's love,  
Rev. Cathy

## Church Council

On Saturday February 8th the council met in retreat from 9-2 p.m. We shared our faith journeys and talked about what keeps us coming back to Batz's church. Through this discussion we were able to identify the things we as a church do well. Then we spent some time talking about what is missing from our church as a way to identify how we can grow. After hours of discussion, we were thankful that the Ladies Organization had agreed to serve us lunch. When we reconvened after lunch, the ladies assembled in the sanctuary and prayed for us as a council. The council would like to thank these women of our church for the many acts of ministry that they do in our midst.

On March 15th we met a second time to follow through on the ideas brought up in February. Currently we are focusing on two ways to move into the future. First is through the addition of a contemporary worship service. A plan was mapped out for us to begin a Saturday night contemporary service in September of this year. The Spiritual committee has begun some ground work for this service, and the council is coordinating the efforts of all the committees to support this effort to appeal to the younger generation that is moving into our neighborhood.

Secondly we are looking at the elder care needs of our congregation. We are beginning feasibility studies for an elevator and other accessibility issues. While we need to be attractive to young worshipers, we can not neglect those currently worshipping. We need, as a church, to be faithful to ALL the needs of our church community.

Again it is our hope that each of you will support and pray for the council as we seek to be faithful to God's leading. One of the ways you can support us is to volunteer when a need is expressed by a committee, for there is much to be done for the Kingdom of God.

Wishing you a blessed Easter,

Church Council

## Ladies Organization

This is an open invitation to all the ladies of the congregation of United Evangelical Church. We would like to have you join us on the second Wednesday of the month at 12 noon at our meetings. The Ladies Organization plans activities, trips, helps with suppers and church affairs. The profits we make from these activities are used to keep a small amount in our treasury for working money and to donate the balance for the ongoing work of the church.

### Ladies Organization Upcoming Meetings

April 9, 2003	Pizza
May 14, 2003	Barbecue
June 11, 2003	Eickenkrantz Restaurant

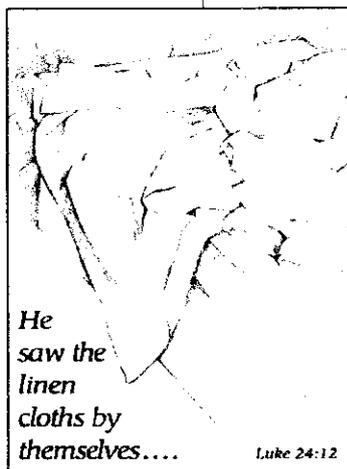

## Altar Committee

The Altar Committee has received many complements from members of the congregation on the beautiful restoration of our cross. A letter of appreciation for a job well done has been sent to the company in Philadelphia who did the restoration. Your donations toward defraying the cost (\$700) are very much appreciated.

The Easter lilies and flowers for the Living Cross (the one the children decorate) have been ordered. We are also looking into the possibility of renting palms for the window sills and altar for Palm Sunday.

If you would like to be a member of the very busy Altar Committee, please contact me.

### Senior Choir Committee

We, the Senior Choir members, are looking forward to Spring. And with spring comes warm weather, green grass and beautiful flowers.

Spring also brings mid-week Lenten services, Palm Sunday, The Tableau, Maundy Thursday, Good Friday and finally Easter Sunday. We hope that one or all of these services will help you have a truly meaningful season.

Especially now, with a war pending, we need to take time to reflect on and live for the most important people and things in our lives.

We wish all of you peace and happiness always.

### Property Manager

I hope everyone is doing well during this Lenten Season, I hope the Lord has blessed all of you as he has blessed me. Hopefully by the time this reaches you we will have a new kitchen floor which, coupled with the painting, should make our kitchen look brand new.

We are still in the process of putting the finishing touches on the gym, oops! auditorium. These should be done shortly. Meanwhile, the children are enjoying roller skating there during these winter months.

Our library has been moved to the fourth floor of the school building and we are in the process of cleaning and repairing the scout room while it is not presently being used. We hope you will visit the library and perhaps check out some of the old books we have or donate some newer ones. The room is clean and quiet, and although the fourth floor means climbing a lot of steps, it certainly is worth the view. Take the time to give it a look.

The property committee could use your help, if you see something that could use repair or something that could be added to help make our church buildings more appealing so that it may be of more use to us, please let us know.

Thank you and God Bless,

Bill Meyers
