Church Sour Beef & Dumpling  
Supper & Bazaar

October 17 & 18, 2001

Hello Friends,

Welcome to our ALL CHURCH  
SOUR BEEF AND DUMPLING SUPPER AND  
BAZZAR. This has been a long tra-  
dition of United Evangelical Church.  
People from all over Baltimore City  
and surrounding counties have been  
coming back year after year for this  
deliciously prepared meal.

We personally want to thank all  
of you who purchased tickets and to  
all of those who purchased ads and  
patron ads. It certainly will help  
our Church. All proceeds from this  
friendly affair will be used toward  
Church welfare.

Ad Book Chairperson

Fellowship Committee  
Church Council

Dear Friends and Neighbors of United Evangelical:

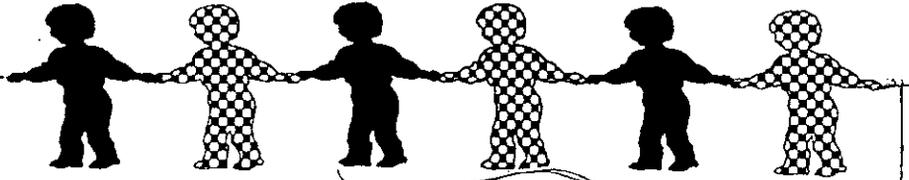

President Roosevelt once said, "The saving grace of America lies in the fact that the overwhelming majority are possessed of two great qualities - a sense of humor and a sense of proportion."

As to a sense of proportion: St. Paul tells us to live in hope, "because hope does not disappoint us." Therefore, let us all pray at this time in our country's history, that the principles on which America was founded, that all people are created equal and given by God the rights of Life, Liberty and the Pursuit of Happiness, keep us ever mindful that it is only through perseverance and character - the quality of our moral fiber - and our faith in God that hope will stay alive.

As to a sense of humor: it has been said, that humor is the harmony of the heart. With that in mind, we welcome you today into our church home in hopes that your sense of proportion will lead you to partake happily of our well-known sour beef and dumplings. It is also our hope while you are here, that harmony and humor will fill your heart. "A laugh a day keeps the doctor away."

Many people have given of their time, energy and sweat to continue this long tradition of our church dinners at United Evangelical Church. Planning for this year's meals began while the ground was still cold and frozen - and with each month the activity of ordering, recruiting people and purchasing has increased. Preparing the meal itself began eight days ago and has been accomplished through perseverance, humor and teamwork. Each part is carefully planned and supervised - using those old-fashioned family recipes -- by people who look forward (most of the time!) to coming together to laugh and work, and to share ourselves with the community.

Thank you for supporting our church and its mission, and thank you for coming to our dinner table. May God's richest blessings abide with you and yours and bring us times of laughter. May God bless America, our home sweet home. May the love of Christ keep us always in hope and bring us all peace. Love, Pastor Barber

*Love is patient  
and kind;*

*It is not irritable  
or resentful;*

A cheerful look  
brings joy to the heart,  
and good news gives  
health to the bones.

on its own way;*

Go out into the world in peace;  
Have courage;  
Hold on to what is good;  
Return no one evil for evil;  
Strengthen the fainthearted;  
Support the weak, and help the suffering;  
Honor all people;  
Love and serve the Lord,  
Rejoicing in the power of the Holy Spirit

*May God surround you and give you courage  
To love one another...and  
To risk loving your neighbor as yourself.*

# ALLERGIC TO INSECT STINGS ?

Could it happen again ?

Will it be worse next time ?

If you had a severe or dangerous allergic reaction to yellow jacket, honeybee or wasp stings, you may be eligible to participate in a new study at the Johns Hopkins Allergy Center (at Bayview Research Campus). This study will find out whether your next sting could be worse so we will know who is in danger when they get stung again, and who needs the protective treatment that is available to eliminate this allergy. Participants must be over age 18, will be paid up to \$300, and will receive free testing and (if needed) treatment.

Today, as in many industries, the funeral profession has seen the emergence of national, and even international funeral service conglomerates. But unlike other industries, these conglomerates rarely promote their presence. Often there isn't even a name change.

Are you aware that many of the local funeral homes in this community are now owned and operated by these conglomerates?

As a family-owned and operated funeral firm, we believe we are better prepared to serve your family. There are many reasons why:

Personal pride

A focus on families, not profits

A long term commitment to our community
