Saturday Night NA Group
c/o Russell E. Southard
1637 Cuba Street
Baltimore, Md. 21230

Dear Mr. Southard:

This is to notify you that The United Evangelical Church is no longer in a position to furnish the Saturday Night NA Group meeting space in our facility after October 31, 2007.

We have other plans for the space you are currently using on Saturday evenings and request that you seek other accommodations for your meetings as soon as practical, with your final meeting in our building being on or before the last Saturday in October.

It is our hope that you can find other meeting space for the continuing worthy mission of the NA Group.

Upon the conclusion of your last meeting in our facility, please place any keys you have to the building in an envelope and drop in the mail slot at the Dillon Street office entrance.

May God be with you and your organization.

The United Evangelical Church of Baltimore, Md.
