Subject: Pif and the Church buildings

08\02\97

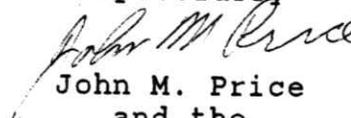

As you may remember, approximately 2 months ago, I informed both of you, that you were not to bring your dog into the Church building because of 4 large spots on the rugs in the front of the church, which I felt was because of your dog. You might also remember that Jim Tallagsen, on a number of occasions, requested you not to bring the dog into the buildings

However, You are apparently continuing to do so, and I personally saw the dog in the building on 8/2/97 at which time I again reminded you of my request. I as well as the Church Council feel that my request was and is not unreasonable. Accordingly, this is to officially inform you that the dog is not to be brought into any of the church buildings, except the parsonage, at any time for any reason.

On 8\2\97 I spoke to the council members about what I consider to be a problem and they are in full agreement with my request and written notification.

A copy of this notification will be kept in the Church property chairman file.

Respectfully

John M. Price
and the
Church Council
