

Because of the absence of minutes from the January 2020 congregational meeting, (due to the death of recording secretary Diane Borkman) a statement is necessary from the council confirming the outcome of the vote taken to sell the Sunday School building at the January 2020 congregational meeting.

On January 26, 2020 United Evangelical Church held its annual meeting in accordance with its by-laws. At that meeting the attached ballot was presented to those in attendance. The final tally was 51 votes for Option B, 4 votes for Option A, and 2 votes of abstention. The motion to sell the Sunday School Building outright to developers was carried.
