		Scene 11	The next day.

## S T O R Y   O F   T H E   P L O T

The story has to do with young Kirby Stevens who has a definite talent for musical composition, but whose tastes to melody and beauty rather than swing and syncopated noise. His ambition is to compose a great waltz song, one that will live in the hearts of its hearers. In the ambition, he is derided by all his young friends and his family, but Sue Oliver, who is in love with Kirby, believes in his future and never ceases to encourage him. Kirby is so engrossed in his music, however, that he almost loses Sue to Gilmore Scott, his rival. Kirby composes the waltz song " My Sweetheart," never dreaming that unconsciously it is Sue who inspired it. After many discouragements, Kirby finally gets a hearing for his song and almost over night, it sweeps the country. Just as suddenly he realizes his latent love for Sue and reclaims her as she is about to wed Gilmore.
