## SIGNAL LIGHTS

"It was well you stopped when  
when the red light flashed  
She said as we drove along.

"For an officer stood at the  
corner there  
In charge of the traffic  
Throng."

And I smiled and said to my  
daughter fair,

As we waited on the spot,  
"I always stop when the red  
light shows  
Be an officer there or not."

Then she sat in thought as we  
drove along

And suddenly this she said:  
"There ought to be lights for  
us all through life.  
The amber and green and red.

POEM - Continued

What a help 'twould be if a  
rod light flashed  
When danger and shame were  
near,  
And we all might wait till the  
green light came  
To show that the road was  
clear."

"My dear," said I, "we have tried  
to light  
Life's road for your feet to  
fare,  
And we pray you'll stop when  
the red light glows,  
Though none of us may be there  
We have tried to teach you  
the signs of wrong  
And the way of life serene,  
So stop when your conscience  
post shows red,  
And go when it flashes green."

"Thank God, This Anniversary Day"

A happy greeting now we bring  
To all, this joyous day,  
Sweet memories, like precious gems  
Gleam bright along our way.  
With grateful hearts we praise  
the Lord  
For mercies from above,  
Tho' veil'd the future year doth  
lie,  
We'll trust His boundless love.

May we thro' the coming days  
Ever walk in wisdom's ways,  
Golden then the hours will be,  
Full of tuneful melody;  
Upward marching to the skies,  
Bound in friendship's holy ties,  
In our pray'rs O may we meet,  
Round one common mercy seat.  
Come, let the songs of gladness  
ring, With lips and hearts His  
praises sing, He leads us on, with  
joy we say- Thank God! this  
anniversary day, Thank God this  
Anniversary Day.
