A QUOTE ON MARRIAGE

The Eternal Circle

The custom of symbolizing the marriage vows with a ring goes back to legendary time. The ancient Egyptian maidens, if they did not actually inaugurate the idea, wore them pridefully nevertheless. A circle was the hieroglyphic symbol to indicate eternity. The circular form of ring was used by them as emblematic of the ideal marriage in which love continued through eternity.

CHURCH SCHOOL CHRISTMAS TODAY

Our Church School has its Christmas service this morning here in the sanctuary at 9 a.m. It is always good to have the members of the Church School come into the sanctuary for the Christmas service. We hope that each department had a fine celebration in the department following the sanctuary service.

CHRISTMAS EVE SERVICE TONITE

Our annual and traditional Candlelighting Service is at 8 p.m. Featuring all the beautiful aspects of our Christmas celebration, this service will bring our preparation for Christmas to its grand climax. In the church bathed in the glow of the candles in the windows, plus the beauty of the tree and the poinsettia, we shall be all children again as we place the baby Jesus in the crib, and join in the other parts of the service. The Memorial Service will be held during this service. The Pastor will bring the Christmas message after the traditional candlelighting event. Be with us for this wonderful service at 8 p.m.

KEY '73 CALLS US TO PRAYER

As a preparation for the emphasis on evangelism which Key '73 brings, we are asked to spend time each day from Christmas to Epiphany, Jan. 6, in a season of prayer from 12-12:20 noon each day for the success of the emphasis of evangelism. And, on Wed. and Fri. of each week, we have the privilege of coming to a church, either in Highlandtown or Canton for a prayer service. The service will be here this Wed. at 12 noon. The schedule of churches is in this week's Guide.
