ANNOUNCEMENTS (Continued)

As indicated in our November United Endeavor, memorial and other poinsettia plants will be available for placing in the Chancel during the Advent-Christmas season. The price currently established by our florist is \$8.50 per plant. Each plant as it arrives will be tagged for whom it is intended. Memorial plants can be either designated for a shut-in or for those who give the memorial gift if the gift is at least the cost of the plant. All other love and memorial gifts will be used to purchase plants that will be designated for specific shut-ins. Only those plants will be ordered for which there are sufficient funds from these gifts to cover the cost for these plants. The plants will be available for pick-up on Sunday, December 26. If interested, contact the Church Office Secretary (276-0393).

Donations of canned goods and money are being accepted in the Church Office for food baskets for the needy at Christmas, which will be distributed through the Canton Christian Council, of which this Church is an active member.

Our sympathy is extended to the family of Mr. Leo Leader, whose funeral was held on Friday.

Congratulations are in order for Mr. and Mrs. William John O'Neill, III, who were married here yesterday, December 4.

If you would like to include the persons on the Church Responsibility List (including (shut-ins) on your own Christmas greeting card list, they are as follows:
