CHOIR ANTHEM

PERIOD OF MEDITATION AND SILENCE

In the friendly silence of this Sunday night, let us make these moments of meditation and silence an act of worship as shall make us better Christians. Let us sit quietly-facing the cross and Christ-realizing the power of God and His presence.

(Silence)

In the face of the goodness of God and the vision of His kingdom, who can stand? Let us quietly look into our hearts, humbly confess our sins which keep us from living at our best. (Silence)

Before the cross, where we find the love of God revealed, we hold our sins, asking the Heavenly Father to show us the right path and to help us to victory over ourselves and temptations. (Silence)

Let us before God form the resolution in our hearts-clearly, fully, and definitely-that we will try to live in accord with His will. (Silence)
