TO: The Pastors/ Treasurers/Chief Lay Officers of our Central Atlantic Conference Churches

FROM: Arnetta A. Jones, Executive Administrative Assistant

The Local Church Report Forms and other materials needed in preparation for the 2009 Year Book are enclosed

Each year the National UCC completes a yearbook. Each year the CAC receives back about 50% of the forms from our churches. We are currently working with inaccurate membership numbers for many of our churches. We would like to have as many of these reports returned as possible. Please take the time to complete all the enclosed forms, especially Form G and return them to my attention by **February 6, 2009**. This year we have the capability of sending you the forms electronically and you can fill them out on your computer and email them back to me. Contact me at ~~the conference office~~ if you'd like me to send the forms to you. The reports can also be faxed to ~~410-788-9485~~. The Supplementary Report (E) may be completed later after Congregational meetings. Please note that all forms are now letter size- some are double-sided.

To augment the information provided in the Instructions for completing **The Financial Report Section**, we would add the following:

PLEASE DO NOT COMPLETE EXPENDITURES SECTION 1 A & B.

Expenditure Section A and B refer to OCWM Basic and Special Support payments sent through the Conference and must agree with the monthly statements sent to the National church offices. This section will be completed by the Conference office. (You should list only Special Support not sent through the Conference Office.) Please note that items in parentheses are numbers reported last year.

Please make all necessary corrections to the church information section of the form. Include email and webpage addresses if applicable.

The **Ministerial Support Form** is self-explanatory. This is a valuable aid during the year to the Conference Office and the Associations.

Association dues are based on the membership numbers reported to the Yearbook office. Therefore it is to the benefit of the church to have an accurate membership number reported.

Please return the original and make copies for your records. If there are any questions, contact me at 1-800-441-1965 or via email ajones@cacucc.org.

Many thanks for your attention to these requests. Please do not hesitate to call me if you have any questions.

Dear Friends,

Enclosed are church information forms that you are asked to complete for your congregation. They include the following:

- 1. **FORM E**, Report of Church Officers for 2008/2009
- 2. **FORM F**, Ministerial Support Form 2008
- 3. **FORM G**, United Church of Christ Local Church Report for 2008

Please make sure that your packet contains all of the above forms. If any are missing, **please contact your Conference or Association Office.**

Please read the following instructions before you prepare your reports. They are intended to assist you in completing your congregation's forms.

Over the years we have heard from many of you and your conferences that you would like these forms to be smaller and fit in a typewriter. As a result, all the forms have been redesigned to fit on standard letter size paper. We have also discontinued printing the forms in triplicate. This was quite costly to print and to mail. We ask that after you complete your forms you make a copy for your records and forward the original to the conference or association office. Please return the forms by the date your conference or association has specified.

** Note: We again plan for churches to have the option of completing the 2008 Local Church Yearbook Report Form (Form G) online. You will receive further instructions from your conference or association office if they decide to offer this option to you. Please do not contact the Research Office as this information must come from your conference or association office.*

If at any time you have questions or need clarification on items, you may contact your Conference or Association Office, or the Research Office in Cleveland.

Thank you in advance for your help in this important effort. By completing these forms, you enable the United Church of Christ to maintain accurate and current information on UCC churches and ministerial staff, as well as provide information that will assist Conferences, Associations and the national ministries of the denomination to identify and understand trends in membership, attendance and other factors that will impact programs and policies.

God bless your ministry within and on behalf of the United Church of Christ.

1. INSTRUCTIONS FOR **FORM E**, Report of Church Officers for 2008/2009

Conference, Association Code and Church Number: These codes for your church should appear on Form G. If they do not, please enter the name of your Conference and/or Association.

Church Name and Location: Please enter the name of your congregation and the community in which the church's primary place of worship is located.

Position/Title: Please complete information about all categories of officers in your congregation. If there are official positions in your congregation that are not listed on Form E, there is room to enter them as "Other" on the bottom of the Form. You may also use the "Other" category space to indicate the names of co-chairs of committees. If you do so, please indicate on the "Other" category space the committee the person co-chairs.

Term of Office: Please indicate the month and year when each term of office begins and will end (i.e., 6/2009, 12/2009, etc.). If your officers are elected as of the first of the year, please enter your incoming officers, not those who held the positions in the past year.

2. INSTRUCTIONS FOR FORM F, Ministerial Support Form 2008

Please complete the information requested for your congregation's pastor, and for associate pastors or other **ordained clergy** who are members of your congregation's ministerial staff.

3. INSTRUCTIONS FOR FORM G, United Church of Christ Local Church Report 2008

If a report was submitted for your church last year the data provided appears on this report for key data. This data is in bold print just to the left of the blank for your 2008 data. Please note, this is just for your convenience and is not meant to be updated. The last year for which a report was received for your church is also reported on the form.

I. LOCAL CHURCH IDENTIFICATION INFORMATION

Conference/Association Code and Church Number: To be checked or filled in by the Conference.

Year Organized: If incorrect, please make the change on the form.

Staff Information: Church Ministerial staff is printed on the form. Please correct as necessary. Due to space limitations, larger churches may not have all staff printed. If that is the case, please add as necessary. **Please include clergy/ministerial staff only.** Do not include secretarial or janitorial staff.

Church Name: If the name shown is not correct, please correct it on the sheet. This should be the name as it appears on your church's charter.

Church Mailing Address: The mailing address printed on the form is the address for your church currently in the UCC YEARBOOK files. If a correction is needed, mark out the incorrect information and add the correct information at the side. Please be sure complete information is on your form.

Church Phone/Fax/E-mail/Web Address: If your church has a phone/fax/e-mail or web address but it does not appear on the form, please write it in the space provided. If the printed phone/fax/e-mail or web address is incorrect, please correct it on the form.

Church Location: Location is the community in which the church's primary place of worship is located, or the nearest community if in open country. This information is used to provide mapping of your church's location on the Internet. If an exact location is not available for your church, please provide the nearest crossroads. Without this information your church cannot be listed on Find a Church at ucc.org. **DO NOT LEAVE BLANK OR PROVIDE PO BOX.**

County of Church Location*: Please verify the name of the county printed on the sheet and correct as necessary. The county named should be the county of the primary location of worship.

(Note: Items starred (*) indicate information provided to Conferences, Ministries and other National Bodies for program use, but not appearing in the YEARBOOK.)

Church Accessible to the Disabled: Guidelines for accessibility include your church's having seven out of the ten following accessible facilities: parking spaces, ramps, aisles, sanctuary, washrooms, interpreters for the deaf, hearing devices, large-print hymnals, trained ushers, on-going work with the disabled. If the designation on the form is incorrect, please change it.

If any of the above information changes throughout the year, please feel free to contact our office at yearbook@ucc.org. Be sure to contact your conference and/or association office prior to contacting us.
