Dear Pastor Oatman:

It is my pleasure to inform you that Robert Gundlach has earned the certificate of Associate of the American Guild of Organists and is therefore entitled to affix the letters "AAGO" after his name.

The process of certification by a group of peers in all aspects of church music was at the heart of the Guild's founding in 1896, and has continued down to the present day. Through self-discipline, study, and practice, Robert Gundlach has demonstrated his ability to set a goal, and, with perseverance, achieve it.

The awarding of the certificate of Associate of the American Guild of Organist's is a high point in Mr. Gundlach's career. Please join me in extending your heartiest congratulations to him on this achievement.

Sincerely,

Kathleen Thomerson
