Members:

Lets take the loose collection out of our collection plates. This can be done with the co-operation of each of you. Use your envelopes which were issued to you. For your convenience, there has been placed in each pew a supply of plain white envelopes if you forgot and left yours at home. When using these white envelopes please make sure you put your name and address or the number of your envelopes on it so that you will receive proper credit for it. Let us all work together and have our visitors to be the only persons to place a loose collection in our plates.

Use your envelopes. If you do not have them, request them and they will be gladly given to you.

Thank you.
