Gentlemen:

Based on sketch plans dated, June 3, 1954, September 20, 1954 and January 18, 1955 and outline of specifications dated February 10, 1955, we estimate the cost of razing the present church and building the new church to be approximately.

TWO HUNDRED FOURTEEN THOUSAND DOLLARS (\$214,000.00)

In this estimate we have included installing the old bell in the tower and the following allowances:-

Finish Hardware	\$1,800.00
Electric Lighting Fixtures	4,000.00

We have also included the seedy marine antique glass comes in all windows except the high nave windows.

The following items have not been included:-

Removing or installing stained glass in nave windows.
 Pews and church furniture and fixtures.
 Carpets
 Kitchen Equipment.

Respectfully submitted,

THE E. EYRING & SONS COMPANY
