COMMITTEES:

The committee representing our church at the Spring meeting of the Synod at Hood College on June 7th to 9th, gave the report and a major item was that we were one of two churches who have not paid their quota to the Synod.

The Eden Seminary is celebrating its 100th anniversary.

The Pastor reported the possibility of having a new church located in Locust Point.

The Committee on Church plans are still undecided as to when plans should be carried out for the erection of our new church.

The proposed purchase of an amplifier which was recently considered, has been abandoned, since it has been decided that the pastor's voice can be clearly and distinctly heard in all parts of the church.

A visitation campaign will be conducted on Sunday September 17, inviting people to attend our Rally Day service on Sunday, September 24 and also for the World Wide Communion Service on October 1.

Committee for the Visitation Campaign will consist of Mrs. Amrhein, Mrs. Nally, Mr. Feldman, Mr. Bark, and Mrs. Schroeder.

It has been decided to give the inside of the Sunday School a painting. It will be up to each department to clean up their rooms and wash down walls, and volunteers are urgently needed to do the painting.

OLD BUSINESS:

It has been suggested that we investigate the possibility of renting fans to be placed in the choir loft for the summer season.

NEW BUSINESS:

None.

Meeting closed with prayer.
