Members of the Choir.

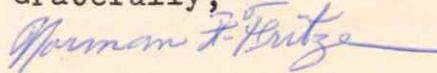

Dear Friends:-

We the council and members of United  
Evangelical Church wish to express our deep appre-  
ciation to all of you for the beautiful music you  
have rendered, during Christmas and the entire  
year.

Many of us take so much for granted  
and forget to express our appreciation.

Again many thanks and may your fine  
work continue for many years.

Gratefully,

Chairman  
The Music Committee.
