

CHRISTIAN MOTHERS

*B*LESSED are they who have for memory,
A mother whose white spirit was aflame
For righteousness—who gave them eyes to see
The glory of an everlasting Name,
The splendor of a highway to be trod
Straight to the great and loving heart of God.

*B*LESSED are they whose mother is today
A living presence walking by their side;
Whose love enfolds them as she kneels to pray,
Pleading for One to be their strength and guide.
Who has a mother in their desperate need.
Ah, truly, such as they are blest indeed!

*U*PON this day the children of the earth
Honor those Christlike ones who gave them birth.

Hymn : "Faith of Our Mothers"(F.S.Shepherd)
Faith of our mothers, wondrous faith
That long endures and ne'er despairs,
Clinging to God, unwaveringly,
For those that on her heart she bears.

Refrain:

Faith of our mothers, wondrous faith,
Hallowing life, strong e'en te death.

Though children often go astray,
And wander in the paths of sin
Still doth her mother-love hold fast
And trust that love divine may win.

Refrain:

Through all the changing scenes of life
Her love hath been a guiding star
To point us to the paths of right,
To draw us back from ways afar.

Closing Hymn:

Blest be the tie that binds
Our hearts in Christian Love
The fellowship of kindred minds
Is like to that above.

"And God hath set some in the Church

gave them gifts of healing."

"I was sick, and ye visited me"

His Lamp Am I

"His lamp am I
To shine when he shall say.
And lamps are not for sunny rooms
Nor for the light of day.
But for the dark places of the earth
Where shame and crime have birth,
Or where the lamp of faith grows dim
And souls are groping after him.
So may I shine,
His love the flame,
That man may glorify His name." (Copied)

HYMNS

Tune: "O Beautiful for Spacious Skies"
O beautiful your service sweet, So freely
given to me; Your loving care and earnest prayer
That I worthy be. O mother dear, O mother dear,
What joy to you I'd give And crown with good
your motherhood, If I would nobly live.

O beautiful the goal you've set, Uplifted
high for me; Its shining gleam marks out a path
Toward true nobility. O mother dear, O mother
dear, God grant this boon to you; That I repay
your yearning care, With love profound and true.

O beautiful your golden dream That sees
beyond to day, The woman you would have me be,
Cherish that dream, I pray. O mother dear, O
mother dear, Help me to clearly see That your
success in nobleness Wrought out in life by me.
