

November 1, 1960

The Pastor, The President of the Church and Church Council
Members:

During the month of October, 1960 two (2) duplicate
certificates of Baptism and Birth Records have been issued.

The following person requested transfer from our Church
and same has been issued to him.

Mr. Frederick H. Beck (In-active member)
7614 Daniel Avenue
Baltimore 14, Maryland
to
St. Luke's Evangelical Lutheran Church
7001 Harford Road
Baltimore 14, Maryland.

Envelopes have been requested by the following persons
and same has been issued to them.

En. No. 1187 Mrs. Clara Bennett
2710 Fait Avenue
Baltimore 24, Maryland

En. No. 1072 Mr. William Dietsch
714 S. East Avenue
Baltimore 24, Maryland

I have also issued envelopes to the 1961-62 confirmands
whose names I will submit to you in March, 1961.

The Telephone Co. has called about the Br.3-0393 listing.
It cannot appear in the phone book as United Evangelical Church
Study, 3200 Dillon Street as this phone should be in the pastor's
home study and not in the church. We can have Br.6-0393 changed
to a business phone for the cost of \$9.45 plus tax and are allowed
80 calls per month. All over 80 calls are 5¢ extra plus tax. They
would change the phone into a business phone without changing the
phone number, then the proper listings will appear in the phone
book. An immediate decision is necessary.

Respectfully submitted,

Grace E. Fader
Grace E. Fader
Church Secretary
