

- SPECIAL MEETING -  
- congregational -

April 20-1934.

According to our By-laws, a special congregational meeting was held on the evening of the above date with President Phillip Mueller presiding. Prayer was offered Rev. Lehmann.

This meeting was called for the purpose of finding ways and means to pay for the cleaning of the front of the church and painting of church front (wood work) and also of parsonage, along with the cleaning and repairing organ in church.

Mr. Mueller instructed the congregation present accordingly after which the bids were opened and read, and which were as follows:

Queen City Renovating Co. -----	\$ 365.00	} Brick Cleaning
Modern Method Stone & Brick Clean. -----	835.00	

John Schmeisser -----	209.00	} Painting Wood work.
Chas. Himmelman & Co. -----	235.00	

There was much discussion as to the difference in prices for the cleaning of the brick after which it was decided to allow the Queen City Renovating Co to do the work for the price quoted. Chas Himmelman & Co was given the work for the above quoted price for painting wood work.

On motion by Mr. Geo. Trautner & seconded by Mrs. Emma Metzger the Board was authorized to have the work done and to allow the Board to borrow the required sum of money to pay for said work from the benevolence fund and to re-imburse the benevolence funds as conditions presented themselves.

Nothing else claiming the attention of the meeting, the same was adjourned with prayer.
