To all Organizations of the Church:

There has been numerous reports to the Church Council in regard to the use of the rooms in the Church and Sunday School building by the organizations of the Church. It seems on numerous occasions these rooms have not been restored to their proper arrangement.

In consideration for the persons who use these rooms for Sunday School or other activities it would be appreciated that in the future the room, or rooms, be restored to its original arrangement.

Thanking you for your fullest cooperation.

Sincerely yours,

George Hammerbacher
