Old Business - The price taken for various projects as a fund raiser was counted. Majority voted for dance. However, after some deliberation, the Choir felt it was too late to arrange for a dance, with other organizations of the Church already putting in their dates to hold their projects, and then with summer vacations starting, we would not get the crowd to make a profit.

So it was suggested to plan for something next year.

President Clara Wise opened the meeting and wished everyone a good evening. She hopes this will be a productive meeting as well as a productive year.

Minutes from the previous meeting were read and approved.

Treasury report was read and approved.

Unfinished business:

Choir Picnic - Paul would like a date now so he can get started on reserving a place. June 2nd or 3rd whatever that Sunday falls on at Chesterwood Park was agreed on.

Chuck wanted to know if we were going to have a play this year. President Clara asked him to bring that up later in the meeting. She would like to have it mentioned in New Business. President Clara wanted to know how the choir felt about giving the Secretary \$25.⁰⁰ to purchase stamps with. The stamps would be used for the choir members Birthday, get well, congratulations cards, etc. Flo gave a motion to give the Secretary \$25.⁰⁰ to do that. Chuck 2nd the motion. Will said to ask the Secretary how she felt about that idea.

Margaret, choir secretary, said if it was alright with the choir members she would like to continue to do it the way she used to do it. That being put the money out herself and at the end of the year turn in a receipt to the Treasurer for her expenses, and be reimbursed.

Flo then retracted her 1st motion and made a second motion to have the secretary keep track of her expenses and turn in a voucher at the end of the year. Chuck 2nd the motion - all approved.

Senior Choir meeting: November 9, 1989

In President Clara Wise's absence Vice President Chuck Rehlfing opened the meeting. The minutes from previous meeting were read, corrected and approved.

Treasury report was read and approved.

Old Business:

Choir picnic - Paul will take care of it

Try to get a place for Father's Day

Chuck wanted to vote to see if we were going to have a play. The vote went 6 for - 3 against.

Rob & Flo have an idea to have the show over at St. Bridgits Hall. They will charge $\$350.00$.

Make it a Saturday night affair with refreshments or light dinner, show and dancing. Adults only with ends, soda and set ups. A D. J. also.

Chuck said to emphasize something like "Sutton Place". Rob also said to do some of the old songs, & routines we already know while the people are eating. Will said we need something like this to get new blood interested in doing a show again. He said have auditions and only those good enough can perform. Chuck said to have the ladies of the Guild or some other organization to sing too. He likes a Johnny Carson type of show maybe even some

commercials. He said to have it for 1 hr. or 1 1/2 hrs only. Will said to be careful because a time limit the last time shot down the show with the performers. Flo said it was that the shows were too long that we decided on time limits for each song. Chuck said to make a decision to have it here or at St. Bridget's. Vote on it now. Dolores said to let us think it over first. Holly said to select a committee and let them decide. Not to discuss it now. Dolores agreed. Chuck asked for volunteers. They were Rob, Dolores, Will, Pam, and Chuck.

Holly wanted to talk about the upcoming X-mas choir dinner. It will be Dec 7th at 7 pm. at the Waterfront Hotel. Cost will be \$10.00 members, full price of dinner - non members, \$3.00 children, and everyone pay for their own drinks.

New business:

Flo wanted to know if the choir would give the Church \$200.00 for it's debt. Rob said that if we make it an All Church Show sponsored by the choir we would make more money and give all of it to the Church^{thru}. Flo said but the Church needs money now. Holly made a motion to give the Church

Will got upset because we voted on giving the Church money now. He feels we will need all the money we have to start the new show. Expenses such as tickets, food, spotlight, music, etc will eat up our treasury. So we can't afford to give the church money now. He said we should discuss it before voting.

\$200.00 now. Dolores seconded it. 9 for 2 against. Holly needs a week to get the money out of the bank. Flo suggested that maybe one Thursday night before choir around 6:30 the choir could go with the Guild to the Canton Harbor Nursing Home. Either Marty Craig or Trace Fader will look into some dates. The choir is in favor of this. Holly wanted to know if we have to do show tunes? How about X-mas songs? Rob said that it would be easier to do show stuff since we just did it at the Homewood Home and we knew it. Pastor Fair said to do a little bit of everything. Everyone was getting restless so Chuck said to bring it up at the next meeting. Bill made a motion to adjourn. Holly seconded it all agreed meeting adjourned at 9:25 p.m.

Respectfully,
Margaret Jean Myrick
Senior Choir Secretary

Senior Choir Meeting : December 14, 1989

President Clara Wise opened the meeting. The minutes from previous meeting were read, corrected and approved. The treasury report was given and approved.

Unfinished business:

Clara wanted to know if show tunes, X-mas tunes or both will be done at the nursing home. Flo said it was too late to do X-mas, and to check with Grace Fader to see if the Guild has a date.

New business:

Clara wants to put a freeze on the choir funds. Holly said that can not be done right now with X-mas and get well expenses coming up. Clara then suggested we freeze a portion of the funds for the upcoming show expenses. After a discussion, with such issues as a possible fund raiser after X-mas, but before the show, going to the Church Council and ask for a loan, it was decided that the show committee should meet as soon as possible to agree on these issues and many more.

Lois Duwall has a hairline fracture on her ankle

bone and Margant needed to know what kind of a card to send. Thinking of you was decided on. Millie needs the choir's financial report. Holly will give it to her at the end of the month. Margant wanted to know if there were any concerns about the donations for the choir's X-mas party. None except that Paul wants to make fudge. The choir said it was alright. We did not want to impose on him or his family. Holly made a motion to adjourn the meeting. Paul seconded it. Meeting adjourned at 9:25pm.

Respectfully,
Margant Jean Myrick
Senior Choir Secretary

President Clara Wise opened the meeting.

The minutes from previous meeting were read and approved.

The treasury report was read and approved.

Unfinished business:

Flo talked about the upcoming Lenten Bake Sale.

This year each group buys all the materials and bake all the goodies themselves. The Choir agreed not to have one this year.

Clara wanted to know if the show committee has met.

The answer is no. Clara then suggested that a representative from the Youth Choir should be on the committee. She will have to speak with them herself. Clara suggested a theme for the show from the movie *Rigi*.

New business:

Pastor Fair wants the choir with St. Bridget's choir next Sunday for the Ecumenical Service held here at the church. After discussion about such a late notice, Margant made a motion to decline. Pam seconded it, the choir agreed not to attend, with one abstention from Rob Sundlock.

She said she would try to come back and to go ahead with the meeting.

Senior Choir Meeting : 5-10-90

President Clara Wise opened the meeting. The minutes were read from previous meeting and approved.

The treasury report was given and approved.

Old Business:

Flo had a concern from the Guild concerning the flowers that were given out at the Mother/Daughter Banquet. A few people did not get one. Paul Bausfeld was one of them. The choir members flowers were put on a table in the gym next to the piano. We are truly sorry if your flower walked away.

Pam gave an update on the new "All Church Variety Dinner/Show". The Borkman will be revising the song "Puttin On The Ritz".

Next Thursday 15 minutes before choir rehearsal the committee will meet to set a date for rehearsal.

Will had a concern that once a month rehearsal was not enough. To prove that point he used the recent Mother/Daughter Banquet as an example. The songs for that was old stuff and we still didn't know it. He suggested that the opening, closing and group numbers by the

senior choir members must be rehearsed at least twice a month and even on Thursday evenings.

Clara said Sunday rehearsals should be as before between 2 p.m. and 4 p.m.

New Business:

Chuck brought up concern for a need for a new lighting system in the gym for our shows. He has a brochure pertaining to such equipment. However the price is very high.

Reg. \$900.⁰⁰ Sale \$700.⁰⁰. Any of which we can not afford. He mentioned that the new system even has colored discs for such acts that need a water or fire affect.

Pam said we will need a separate fund raiser to accomplish this. Right now it is too late to do that.

Will said that he and Bill have already checked out the Church's lighting system.

It is poor and needs to be replaced. But again money is always the problem.

Choir Picnic - Will be held at Crestwood Park. The children's choir will be given invitation^{cards} at last rehearsal. With a mailed follow up prior to the event by Margant Myrick.

Everyone will bring their own food for this event. Bill made a motion to adjourn meeting, Paul seconded it. Meeting adjourned at 9 p.m.

Respectfully submitted,
M. J. Myrdek
Senior Vice Secretary

Senior Choir Meeting: 6-21-90

President Clara Wise opened the meeting. The minutes from previous meeting were read and approved.

The treasury report was given and approved. Clara said the only thing that needed to be discussed was the upcoming All Church Show & Dinner. Price of tickets should be \$8.⁰⁰ for a show and crab cake dinner.

Margaret shared a little of what was said at the special meeting that was called by Mrs. Grace Fader on June 17, 1990. Some points made were Pam had put a lot on the ladies of the Church to do. Their dates should be limited to the meal. All other church groups should be doing their part to help the choir since it is an All Church event in conjunction with the Church's anniversary. Grace wanted to know why other groups had not been brought together and assign duties to each one. She felt that a letter stating this should have been sent out not to wait for Pam to come back from vacation.

Pill said that once it had been approved by the Church council that all organizations

is on

should have been aware that their help was needed. Bill also thinks that ~~250~~ ²⁵⁰ tickets is an awful lot of people, tables and chairs in the gym. Flo said that the dates of the event were definitely approved by the council but not the actual place ~~example~~ the gym. Will said that too much was being put on Pam - the chairperson of the show. That the Choir President should also be helping her; and that the President should act as co-chairperson on all committees. Will then made a motion to get the letter together and sent out ASAP. Flo seconded the motion. All agreed. Clara the Choir President will take care of this. Include the date - make it a Sunday between early and late service. Will also suggested that 1st and last Sundays of the month should be rehearsals. Clara said one Sunday a month for solo, duets, trios. Clara said that the Friday Bowling night was going to present a problem. To be aware that some very important helpers will be bowling that Friday night of the event. Someone should talk to Sharon Danilowski.

Flo said a big thank you goes to Paul for the terrific job of the choir & family picnic. The place was just fine and the pavilion was great. Thank you Paul!! Flo made a motion to adjourn the meeting. Paul seconded it. Meeting adjourned at 8:26 p.m.

Respectfully submitted,

Senior Choir Meeting: 9-13-90

President Clara Wise opened the meeting. The minutes from previous meeting were read and approved.

The treasury report was given and approved.

Unfinished Business:

Will talked about the show because a lot has changed since our last meeting. The time of the show, the date, the menu, and the ~~person~~ selling the tickets. Clara said the advertisements for the show are now being published.

Rob said some of the churchmen from the retreat are coming and will buy their tickets at the door.

Will is very concerned that all the work in the gym is completed on time. We need additional time to put up the decorations, lights, speakers, and co-ordinate the stage with the scenery and props. We also need to set up the tables and chairs and dress them. He suggested Wednesday night to do this. Thursday night to have dress rehearsal.

Rob wanted to know about the spotlight. Chuck said he guessed he would get it.

Will made a motion to adjourn the meeting. Paul seconded it. Meeting adjourned at 8:35 p.m.

Since the 117th All Church Dinner and Show is over we now need someone to make a final report. All that is left is for someone to put it all together and let the congregation know how it all fared out.

Homewood Home trip: Bill said to see Rob about any music you would like to do at the Home as soon as possible.

5PM, 01

We already have the ladies doing the Manhattan song and dance under the direction of Dolores. We will all do the group medley that we have been practicing. Also there may be four more additional State Songs added to that medley. Ex - Oklahoma - California, etc. Bill also said that we probably would not be able to memorize all the songs in time for The Homewood trip, so we can bring our sheet music with us.

Bill talked with Matzie about the cost of the Homewood trip. No price yet. Bill will let us know as soon as he knows. Bill offered a suggestion about taking $\frac{1}{2}$ of the cost of the trip from the choir treasury. And then we would pay the remaining $\frac{1}{2}$ ourselves. All agreed to do this. ✓

Bill took an unofficial count of who will be going. Then he will take a final count later so Holly will be able to get the money needed out of the bank.

Will we go to a regular restaurant or maybe a Dinner Theatre? Bill will check around for shows and

costs. Everyone agreed to first see what shows will be playing.

Rob told us that Mitzie and the ladies' group have new curtains for the choir room. They have been downstairs for some time. Bill said that before we put up new curtains, the window frames need to be redone. Since it is part of the Church maintenance, maybe the Church could have someone to do it.
