Help me, Lord

When my little boat is sinking, And the shore is not in sight,
And I have two broken paddles, To contribute to my plight,
It is not the time for weeping, Though it surely crossed my mind,
What is needed here is action, Of the very quickest kind.
So I called out, never thinking Just what I was about,
"Lord please bail out this little boat, ...I almost am without!"

Our Ladies Organization has 16 current members. A few of the Ladies Support our Group but are unable to attend meetings. It has been suggested that we close but my feeling is to wait and discuss this after the first of the year. Several ladies of the church have considered joining our group because they retired from their jobs and are now available on Wednesdays. Please consider this suggestion.
