I also wish to thank the people who helped me to sell so many. At the top are Miss Denise Iwancio & Mrs. Frank Schmitt. The other people know who they are. Their help will always be remembered.

thank-you from...  
ROB GUNDLACH

Dear Friends,

When we first began the putting together of this ad book I thought it would be nice to give credit, in this book, to all the people who helped to make this dinner and show a success.

However, at the time this book was printed, back in early July, there were so many people that had already helped us already, that I was afraid to list them all for fear I might miss someone.

It gives me such a good feeling to know that we all seemed to pull together no matter what we did, selling ads, selling tickets, cooking food, working the lights, playing the music, setting up a few tables, all helping to make the show and dinner a success.

To all of you that helped, you know who you are and you know that you did something good to help someone else. Once again, thanks to all that helped. You'll always be remembered by the group and me.

Sincerely yours,

Robert Gundlach  
chairman
