Dear Mr. Myers:

I wish very much that Mrs. Riggs and I could be present tomorrow night for the One Hundredth Anniversary of the church.

My association with the church during Dr. Titus Layman's pastorate bound me with a good bit of affection to in and to many of the people; and my association with the Rasches has also been intimate and rewarding.

Please add our congratulations and prayers for the continued witness in the second century of life.

Cordially,

Wilfrid P. Riggs

PS: I am sending this to the church in the hope it will reach you tomorrow.
