

My Dear Ladies;

I thank each one of you for your concern about me I have had a rough time & still do I have the "medical alert" & fell back to a walker instead of a cane. I thank each one of you ladies for the beautiful ged will cards & the extra handwriting of nice words it means a lot when you know someone is thinking of you & can put you in there prayer. I thank you for the report, Gloria has been very faithful in sending cards to me & I thank each one for being my friend. May God Bless Each One of you With a new year of Good Health. I hope to surprise you real soon after I see this doctor on Tuesday. Are Walkers allowed?

With All My Love To Each
One Of you.

God Bless
