

**ONE
IN
CHRIST**

Now that Pentecost, 1978 is behind us and the summer of 1978 is still ahead of us, I would lift up for our mutual concern several items to last us through our vacation times.

First, listed in this issue of the Endeavor are those - according to our records, who had a "perfect attendance" at worship on Sunday mornings from Easter to Pentecost. Thank you all for your cooperation in filling out the attendance cards each Sunday you were here. This procedure will help the Membership and Stewardship Committee of the Church Council to be more knowledgeable about who our "active" worship attenders really are. Their planned activities for the coming Fall and Winter will include this basic information.

Second, a firm "pat on the back" and congratulations are in order for how well we as a congregation responded so far to the Interior Renovation Project. The pew cushions and the painting will result in a more refreshing atmosphere for our worship together. And now we have two more reasons to invite our relatives, friends, neighbors, and former members to worship with us on Sundays.

Third, September 17, 1978 has been designated by the Church Council as the date for our 105th Anniversary Celebration (Birthday Party). With a single worship service for everyone at 10:00 a.m., special choral music, and a fellowship luncheon and birthday party, we expect that event to be a memorable one. So, put that date on your calendar now so you don't miss it after your vacation.

(Continued)

Finally, we should not need to be reminded that both worship and church school continue on at the regular times during the summer months. If you are a regular "8 o'clock" worship person, you may want to "visit" the 10:30 worship service and get to know those people better. And vice versa, if you are a regular "10:30" worship person, you may want to try and see what it's like to attend the early service and have the rest of the day free for other important things. In either case, if you experiment in this way this summer, be sure to greet your "new" friends and let them know who you are and what's happening. Maybe a name tag saying "I'm an 8 o'clock person" or "I'm a 10:30 person" would help everybody else know you are a "visitor" to the other worship service when you come. See you there.

Pastor Hengen

Our "temporary shut-in" member, Mrs. Marie Voelker since May of 1977, has made 319 therapy balls plus knitted 25 pair of footies for presentation to Baltimore City Hospital and Rosewood State Hospital.

Geoffrey Will, son of Mr. and Mrs. Julius (Naomi) Will, was a student at Loyola College for 2½ years and will graduate on June 4, from Towson State University with a Bachelor of Arts in Business Administration (Accounting Concentration).

Paul Hengen, son of Rev. and Mrs. W. Scott (Claire) Hengen, is graduating from Patterson Park High School and will be going to college in the fall.

Congratulations!

CHURCH COUNCIL REPORT

At its meeting held on May 2, the Church Council gave its approval to the recommendation of the Christian Education Committee that September 17 be designated as the date for the celebration of our 105th anniversary. There is to be one service at 10:00 a.m., with special music by the choir, and a meal following the worship service. Additionally, a target date for another project of the Christian Education Committee - formation of an adult Christian Education Class - was set for September 21.

As of this writing, the work on the pews has been completed. The Council plans to move ahead with the second phase of the renovation project, that is, the painting of the sanctuary. Work is to be done during the summer to allow for adequate ventilation.

The Membership-Stewardship Committee is still in need of volunteers for its greeter program. Any interested person or group should contact Ed Myers or any other Council member.

The Youth Group requested and received permission to hold its annual dinner show on August 18 and 19.

Carole P. Weidel
Recording Secretary

The Sewing Group will have its last meeting in May. There will be a luncheon on June 6 at Haussner's Restaurant. Later they will go to the home of Mrs. Grace Fader for dessert.

God invites us to journey with Him.

As stated in our March United Endeavor, records would be kept of those having perfect attendance from Easter Sunday, March 26 up to and including Pentecost Sunday, May 14. Accordingly, listed below are those who signed an Attendance Card each week; and submitted same:

UNITED EVANGELICAL CHOIR

Well, here we are beginning summer vacations again. Everyone looks forward to this time of year. So it is with the Choir, we are looking forward to vacation time too. After June 11, the Choir as a whole will be on vacation, however, there will be some of us available during the summer to bring you the music that you enjoy, and we sincerely hope that you will be pleased. Those of you going away, have a safe journey and a happy vacation.

Secretary

GIRL SCOUT TROOP #1414

On May 6th, the troop along with the other Girl Scout Troops of U.E. Church went to the Hilton Area at Patapsco State Park for a day outing.

On Saturday, May 20th, Girl Scout Troop #1414 went to Philadelphia, Pennsylvania, where they visited the Franklin Institute, Liberty Bell, Independence Hall and Betsy Ross Home.

On June 9, 10 and 11, Troop #1414 will be camping at Chimney Trails, Conowingo, Cecil County, Maryland.

Verla Spence
Leader #1414

Look for and respond to the evidences of God's love today.

Please don't give your Pastor an excuse for absence from Church on other Sundays. If he is like me, he has heard them all. And also, unfortunately, has Father God.

Why does anyone stay away from Church? Because you are POOR? Admission is free...Because you are RICH? You can remedy that...Because it RAINS? You go to work in the rain...Because it is HOT? so is the golf course..Because it is COLD? It is warm and friendly here...Because of HYPOCRITES? You associate with them every day...Because of HOUSE GUESTS? They will admire your loyalty; bring them with you...Because of CLOTHES? The Church is not a fashion show...Because of CHURCH STANDARDS? Take a long look at Bible standards if you think ours are high...Because the Church asks for MONEY? So does the grocer...Because of EMOTIONALISM in religion? How about the baseball game, or your favorite sport?...Because you intend to attend LATER? Isn't that presumptuous? How can you be sure?

Shamefully, we are so careless with our lives...but think of the mindless example for youth!

CEDAR DIGEST Spring 1978

The idea of heaven as a specific place somewhere "up there" seems to intrigue children. They accept the notion of a place called heaven as matter-of-factly as though it had an address and a Zip Code.

Memorials for the special Father's Day Booklet to be issued June 18, must be received in the Church Office by Deadline, Friday, June 9.

LADIES AID

The next meeting of the Ladies Aid will be held on Wednesday, June 7, beginning with luncheon at noon. This will be our last meeting until September 6.

Ms. Rose Shinaberry and Ms. Millie Rossi from the SECO Crime Coalition will be with us to talk about crime in our community and what we can do to protect ourselves against it.

We decided to work with the other womens' groups of the Church in helping to prepare and serve the reception-luncheon planned in conjunction with the 105th anniversary celebration of the church on September 17.

Other opportunities for Fellowship, Service and Inspiration are in the works for fall. Have a safe and restful summer.

Claire Hengen
Ladies Aid President

Thanks to all of you who sent S&H green stamps and picture and foreign postage stamps to the parsonage and church office. For you who are still looking for some, keep searching. We will wait until July to count and send them. Look for a final tabulation in September.

The General German Aged Peoples Home, 22 S. Athol Ave. are having their annual Crab Cake and Ham Supper on Wednesday, June 14. Dinner served from 3 to 7 p.m. There will be a bazaar to interest everyone as well as delightful German music.

SENIOR CITIZENS REPORT

On Monday, May 22, our Senior Citizens departed from the Church at 8:30 a.m. They went to Berkley Springs, West Virginia, got samples of the mineral water and had lunch at the Country Inn. They also toured York, Pennsylvania, Winchester, Virginia and Harpers Ferry, West Virginia. They arrived back at the church at 7:30 p.m. The weather was ideal and all agreed it was a day well spent.

The Senior Citizens will be meeting all summer in Friendship Hall on Monday morning at 10:00 a.m.

Linda Pate, daughter of Mr. and Mrs. James (Arlene) Pate is graduating from Patterson Park High School and is planning to enter college in the fall.

If you have someone graduating from high school or college let us know in the Church Office and we will announce same in the September issue of the United Endeavor.

When you go on vacation, don't forget, the church's expenses continue, so please fill your envelopes before you go and turn them in.

If you have recently moved or plan to do so in the near future, please advise the Church Office so our records can be kept up to date. Likewise with telephone numbers. There have been instances in the past where we have called and been advised of disconnect.

LIFE'S NOT REALLY COMPLICATED

Life's not really complicated,
It's as simple as can be ---
I've thought it out and tried it
And it's been that way for ME.

First, you've got to welcome other folks
Whose paths may cross your own,
'Cause maybe they have joys to share
Or maybe they're alone.

Then you've got to watch out for yourself
So you can get along,
But be careful--if you watch too hard
Things start to go all wrong.

And remember that there's just no use
In crying or complaining,
'Cause the way THAT ruins sunshine---
Why, it might as well be raining!

Then if something lonely happens
And you can't help feeling blue,
It's good to help somebody else---
'Cause that'll help YOU, too.

So be happy, and remember
---It's as clear as day and night---
Life's not really complicated
When you learn to live it right.

RENOVATION FUND REPORT

A "pat on the back" goes to the members of this congregation for the generous way in which they responded to our pew fund. We accomplished our \$5,000.00 goal in less than three months - a feat that is almost incredible in a time of high prices, inflation, and fixed or frozen salaries. It is important for us to celebrate our success with this project, but we must remember that actually we are only half-way there. An additional \$5,000.00 must now be raised to repaint the sanctuary, as mandated by the congregation at its November 1977 meeting. As with the pew fund, each \$50.00 donor will receive the special certificate. A new honor roll booklet will be made for the paint fund contributors. Additionally, all improvement fund envelope contributions will go into the paint fund.

Please check the paint fund sign in the narthex. We need to fill that bucket with \$5,000.00 NOW, so that the painting can be done during the summer months. This will allow for adequate ventilation to remove odors, and will have our beautiful sanctuary in perfect order for our 105th anniversary celebration on September 17. Your support is greatly needed and sincerely appreciated.

A contribution envelope is enclosed for your convenience.

Carole P. Weidel
Renovation Fund Chairperson

PRAYER: Father, may my life put a high premium in my Christian profession. In Jesus' name, Amen.

"FILL THE ARK" PROJECT

Do you remember the story about Noah and the ark? Well, the Church School is beginning an ark project of its own in conjunction with the Hunger Task Force of Chesapeake Association. The goal is to have each of the 26 churches of the Association contribute \$100. or more to help to send a flock of chicks, bees, rabbits, pigs, goats, sheep, and cattle to areas where such animals are desperately needed for food. Each church is to have its own ark, and animals (models, of course!) will be placed in it as money is received. Prices range from \$2.00 for chicks to \$60. for a heifer. On October 1, the Chesapeake Association's Church School Children's Celebration will be held at the Baltimore Zoo so that together we might share in the joy of "filling the ark".

More details of this project will come later, but please keep it in mind during the busy summer days. The Church School will appreciate your help in filling their ark.

Carole Weidel

The Sewing Group's annual Boat Trip to Annapolis will be Wednesday, July 19. See Lil Buschman or Emma Koehler for details and/or tickets.

A family camping experience at Bethany Beach is being offered this summer by the UCC in cooperation with the Christian Church. There is also a senior high camp for those youth having completed the ninth grade. Information regarding these two experiences can be obtained in the Church School Office.

STITCHES FROM THE SEWING GROUP

Our Sewing Group which meets each Tuesday morning, October through May, 10:00 a.m. received two letters from Baltimore City Hospital dated November 28, 1977 and April 3, 1978. Their contents have been reduced and we would like to share them with you:

"How lucky we are to have each of you as a friend. The new supply of handmade items has arrived and we are truly grateful. The lap robes, bed jackets, baby sacks and gowns, etc. are lovely. It is always a pleasure to give these gifts to the patients as the need arises. They are lovely, much needed and greatly appreciated. On behalf of the patients, staff and the Volunteer Services Department, thank you for caring". The letters were signed by Bronwyn Thompson, Coordinator of Volunteer Services.

CHRISTIAN EDUCATION COMMITTEE REPORT

The Christian Education Committee is currently involved in planning for and supervising two projects of great importance to the life of our church. The first, development of an adult program for Christian education, was included in our 1978 Goals, and is the result of requests for such a program expressed by various members here. The target date for initiation of the class is September, 1978.

The second project of the committee will also reach fruition in September as the church celebrates its 105th anniversary. Each organization of the church is to take part, and the festivities will include a special worship experience and luncheon on September 17. ANY member of the congregation wishing to help with the anniversary planning should contact the Christian Education Committee or the Church Office. Full support by the congregation and our organizations will make this an enriching experience and a most appropriate expression of our commitment to "celebrate the Good News".

Carole Weidel

C.E.C. Chairperson

Girl Scouts of Central Maryland are having a 1978 Zoo-Do Safari, July 31 to August 31. It will be for 8 days. Brownie Troop #1657 will be going camping August 10 to 13 at Valley View Lodge at Girl Scout Camp Ilchester. The leader will not be attending the Zoo-Do as she will be camping with the other children. The Brownie Troop will be visiting the Zoo in June or July and they also hope to visit the Enchanted Forest in June.
