MESSAGE FROM GOVERNOR MARVIN MANDEL

As Governor of Maryland, I am pleased to extend greetings and congratulations to the members of United Evangelical Church as you celebrate the Church's 100th Anniversary.

And I would like to take this opportunity to recognize your congregation for its important contributions throughout the years to the spiritual and moral well-being of the entire community.

Each of you is to be commended for encouraging greater involvement in the affairs of your community and for giving of yourselves for the benefit of others. And I know these achievements are a source of great pride to each of you and an inspiration to continue the good works that began here a century ago.

Helping to resolve the problems of the day that affect your community is a big challenge. Only through your continued involvement and leadership will that challenge be met.

As you celebrate this joyous occasion, I send you my best wishes for the coming years.

Sincerely,

Governor
