Dear Employer,

An examination of your Maryland Employer Withholding Tax Account discloses that for the calendar year 1988 you submitted your withholding reports on a monthly basis. Our records indicate that your withholding taxes for a nine (9) month period were less than \$1,200.

The policy of the Employer Withholding Section is to change monthly reporting accounts to quarterly reporting accounts when their reported tax is less than \$1,200 for a nine (9) month period.

Quarterly tax returns for the periods ending March, June, September and December are required to be filed and paid on or before the last day of the following month.

The 1989 quarterly withholding reports will be issued to you under separate cover in the near future.

If you have any questions or require assistance, please do not hesitate to contact us.
