Dear Friends:

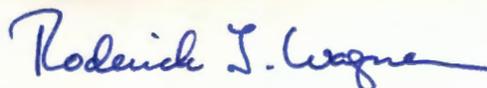

Thank you very much for your contribution to Homewood.
Our receipt is enclosed.

Your generosity will help provide for those residents
whose cost of care exceeds their retirement income.
Such contributions from churches, organizations and
individuals help make it possible for Homewood to pro-
vide more than \$100,000 in "free care" annually.

Now that we have 370 people in our four Homes, we
particularly appreciate this support and your continu-
ing concern for our aging people.

Best wishes to you in all your activities.

Sincerely yours,

Roderick J. Wagner
Executive Director
