

BOY SCOUTS OF AMERICA

Troop No. 19

February 21, 1956

Dear Parents:

On Tuesday, February 21th, troop 19 will have "Parents Night." There will be an Investiture, Court of awards and Charter Presentation on that night. It is very important for you the parents to be there. A troop is only as strong as its Leaders and Parents make it. A good turn-out will show these boys that you are interested in their scout work. The Troop has come a long way this past year and with your help the next year will be even better.

Tuesday, February 21th, is the date. Let your boy bring you with him that night. He would like to show you what he has accomplished and he would like to introduce you to his buddies, his patrol, and his leaders, and his Scout Master Mr. Howard Jenkins. Let him bring YOU!

Yours in Scouting,

William F. Mayer
Mr. William F. Mayer
Chairman T. C. 19

P. S. why not bring the whole family.
