Dear Reverend Fair:

What a beautiful performance the Choir and Guild did this past Thursday. Everyone, and I do mean everyone, enjoyed it immensely. The extra treat of cookies and ice cream certainly was an added treat.

You must be very proud to be Pastor of such a group that gives of their time so freely to the community. We at Canton Harbor were blest that they took the time to come to our Home.

Please convey from the residents and myself that we thank them from the bottom of our hearts and look forward to a return visit at some time in the future.

If you would have whomever arranges your calendar, please have them give me a call so we can get together for a early summer or fall return visit.

Thank you all very much and please remember us in your prayers.
