

As General Chairman of the 100th Anniversary Committee, I take this opportunity to express my personal thanks to you for your part in the centennial celebration of our Church. Also, please pass along my appreciation to your committee workers.

I have received nothing but favorable comments about our celebration. However, without you and your workers, this would not have been possible.

There is one final thing I would like you to do. Please submit a full report, including receipts and expenditures, of your committee. Please have this report in my hands by the end of November as I must compile all the reports into one and report to the Church Council or at the next general congregational meeting.

Once again thank you for your time and effort for a job well done.

Sincerely yours,

J. Edwin Myers
General Chairman
100th Anniversary Committee
