Subj: Church Services month of September 1973

At a recent meeting of the 100th Anniversary Committee, a suggestion was made that the month of September 1973 be known as the Anniversary Month and would like to receive permission from the Council for the following

Sundays:

September 9th - Communion Sunday

September 16th - Past

September 23rd - Present

September 30th - Future

On Sunday September 9th we would like to begin our celebration by having a Communion Service at both services.

Eliminate the 8:00 AM services on the Sundays 16th, 23rd and 30th and have only one service each Sunday starting at 10:00 AM followed by a coffee hour.

As Chairman of the committee I am recommending to the Church Council to consider approving the above changes.

I would appreciate your forwarding your reply to me at my home address:
