Dear Members and Friends:

The Fund Raising Committee of our 100th Anniversary would now like to present to you Phase II of our 100th Anniversary Fund raising program. Up to this point, the Fund Raising Committee has asked you to sell Patron Ads and to get Commercial or Family Ads wherever possible for our program book. We hope you will continue to solicit them and get them into the church office as soon as possible.

PHASE II

The 100th Anniversary of our Church will have proper meaning only if it is translated into the life of each of us. We are now asking you to participate in observing our 100th Anniversary by sharing in the placing of Love Gifts with the Church in the 100th Year of our life as a congregation.

Enclosed you will find a Love Gift envelope and a Quarter folder, along with an invitation for you to become a member of our \$100.00 or more 100th Anniversary Organization. By this we mean, every family or individual who contributes \$100.00 or more in their Love Gift envelope will be eligible to have their name placed on our 100th Anniversary Fund Board which will be placed in the Narthex to commemorate our 100th Anniversary.

For the families or individuals who cannot afford \$100.00 at one time we have made arrangements with Mr. J. Edwin Myers, chairman of the Anniversary Committee to accept part payments up to December which will be the end of the Anniversary year.

For the families and individuals who cannot contribute \$100.00 at all, we say whatever you can contribute will be deeply appreciated because we know you have God's Church in your thoughts and in your heart.

Our Anniversary needs to be translated down to each of us. When the Church was built, some sixteen years ago, it was paid for in a similar manner, by the generous giving of our people as individuals and families, without compulsion. A strong effort now by each member and families of our congregation will make this 100th Anniversary celebration a memorable one.

Sincerely yours,

The Anniversary Committee
