Dear Mr. Myers:

In response to your letter of March 17, inquiring as to the possibility of obtaining a coin folder with 100 slots, we must regretfully report that we do not manufacture such a folder, nor have we the facilities to do so.

We are enclosing samples of our Special Offering and General Purpose folders - perhaps you could make use of one of these.

I am sorry not to be of more help to you.

Sincerely,

PARISH SERVICE COMPANY

Gentlemen:

My Church will be celebrating its' 100th Anniversary in the near future and we are planning on a fund program for the children of the Church School.

I am writing you this letter to ascertain if you have coin folders available in denominations of one cent and five cent with 100 slots in each.

I would appreciate your advising me if you have the above and what the cost would be with or without printing.

Your prompt response will be greatly appreciated.

Sincerely,

J. Edwin Myers

P.S. If you do not manufacture the coin folders in question, would you please advise me of a company that would be able to fulfill my request.
