Dear Members and Friends:

All plans and preparations for our wonderful 100th birthday celebration are now being finalized. We are happy to send to each of our member families this copy of the Program Book. In it you will find a complete program of all the events of our anniversary month this September of 1973, the 100th birthday of our congregation toward which we've looked forward for so long.

This comes to you and yours as the official invitation to you to participate in all these events and services. Thus do we all give glory to God for His goodness to our congregation these many decades of history. Do accept this invitation and be present for each event.

This book also contains the ads of the many businesses and families who wish us well, as well as the Patron ads from our friends who do likewise. We do thank all for their generosity. This concludes Phase I of our Fund Raising program.

Phase II is still operative and gives us all the opportunity to participate further through the Love Gift offering, of which we have been made aware and for which we all have been provided with a special envelope. The 25¢ Anniversary folder is the last of the Phase II items. We invite your participation in both these activities. With all our funds, much worthwhile improvement of our property is being accomplished as well as the meeting of our Anniversary celebration costs. We know all want to help at all points.

Coming to you also will be the Anniversary Historical booklet, a beautiful presentation in narrative and pictures of our church in history and at present. You will covet this book.

All plans are now in the completion stage. We are geared for a very worthwhile month-long celebration. Come, and let us rejoice together, for the Lord has blessed us and we can rejoice in His Goodness.

Yours for a glorious 100th Anniversary.

The Anniversary Committee
