September 4, 1973

Dear Members:

After many months of plans and preparations for our centennial celebration the anniversary month is now at hand.

You probably by now have received your copy of the Program Book which outlined all the events to take place during our anniversary month of September, 1973.

We are happy to send to each of our member families a copy of the History Book of our Church. This book depicts the history of our Church from its inception to the present time.

As you peruse through this book we hope it will bring back many memories to you. If you care to give a contribution toward the printing of this book, it would be greatly appreciated. If you desire additional copies, they will be available for a nominal fee.

The Lord has been with us these many years, may we continue to be with Him.

To The Glory Of God

The Anniversary Committee
