

## EXHIBIT COMMITTEE

As part of the 100th ANNIVERSARY CELEBRATION, a committee called the Exhibits Committee has been formed. The purpose of this committee is to collect, arrange, and exhibit artifacts, momentos and pictures depicting the life of our Church. To do this job effectively and interestingly takes time and effort by many persons. If you as an individual have Confirmation pictures, early Baptismal records, letters of interest involving the Church, or momentos of the earlier Church, would you please take the time to bring them in for display. The committee will record the acceptance of your item and give you a receipt for such. Your object will be marked in a manner so that it is not disfigured, but yet marking it such a way that you will be certain of it's return. As our Anniversary approaches, your objects will be displayed in an appropriate manner for all to see and appreciate.

PLEASE take the time now and the effort to bring in those interesting items pertaining to our Church History so that they may be displayed for our enjoyment.
