Dear Reverend Armstrong:

Let me take this opportunity to thank you and the members of your church for inviting me to participate in the 125th Anniversary of your church.

Although my schedule did not permit me to personally be in attendance, my representative Diann Baker informed me of the overwhelming success of the event.

It is gratifying to realize that there are people like yourselves who are working diligently for the betterment of our communities.

Again, many thanks for your kind invitation. I wish you continued success in your endeavors.

Sincerely,

A handwritten signature in black ink that reads "Kurt Schmoke". The signature is written in a cursive style.
