RE: Contract #13245 to be held on September 27, 1998

Dear Mr. Myers,

Thank you for choosing Martin's for your upcoming party.

Enclosed is the contract you requested. This contract is not confirmed, nor the band or limousine booked (where applicable), unless we have received the executed contract and deposit by the date listed on the contract.

It is important that you do NOT make any changes on the contract you sign. Any changes will require Martin's to issue a revised contract or addendum. In such cases you must contact your sales person immediately.

Please review and sign twice, where indicated, on the back of the original, and return it to us in the enclosed envelope along with your deposit. The copy is for your records.

If there are any questions, please do not hesitate to give us a call. We look forward to providing you with fine catering in the "Martin's Manner".

Catering to you,

  
Ed Beres  
Operations Manager  
Martin's North Point
