Each Sunday a month before the banquet, souvenirs handed out to congregation members

Programs for the banquet were suggested. Solicit subscribers to pay for them. Doug said he could ask Lil to give us some possible names of subscribers they have used for AAL events.

Discussed the music options, D.J. vs. a live band. Doug, John and Brandon will research these options.

Design a Logo to go with the Theme and imprint on all publications and items used in publicizing our celebration.

Speakers were discussed. Use a good M.C. who can keep things moving, interesting and not drag out the program. Leave plenty of time for socializing, music and dancing.
